ST JOHN'S CHURCH
Sunday, 17 December 2017 at 4:30pm

St John's United Reformed Church, corner of Somerset and Mowbray Roads, New Barnet , EN5 1RH

A carol service for all the family followed by mince pies and hot drinks. There will be the traditional lessons and carols for us all to sing, but this year we welcome The King/Cave Project - a group of jazz musicians led by Ewan King - who will be performing some unusual arrangements of well-known carols.

"Though you may recognise the hymn tunes you may not ever have heard them in such creative arrangements" RADIO 4
